Summer Term 2024

US TEST PREP

MAP I SSAT I SAT

Unlock the gateway to a US education pathway through our series of US test preparation courses specifically tailored to address distinct formats and assessment criteria of American examinations. Equipped with our exclusive test and course materials, along with comprehensive analysis and expert guidance from ARCH specialists, you will be fully prepared to excel in your US test to unlock the pathway to the schools and universities of your choice.

MAP Summer Intensive Course (Ages 10-11)

Our rigorous preparation aims to empower students with the ability to comprehend informational texts and develop language arts skills. We encourage students who aspire to excel in school benchmarking tests and enhance their school applications to join this course.

Level	Focus	Contents & Knowledge	Deliverables
Grade 5 Age 10	Week 1: Comprehension and Informational Texts	Through the theme of Community and Urban Studies in the American context, students will hone their reading techniques of main ideas and how to identify specific details. We will also enhance their grasp of polysemic vocabulary.	• Initial Mocks • End of Module Mocks • Assessment Analysis Report • Critical Thinking Essays • Learning Materials
	Week 2: Language Arts and Conventions	Familiarizing students with the cultural significance of shopping, we will consolidate students' understanding of Infinitives, modals and imperatives.	
Grade 6 Age 11	Week 1: Comprehension and informational texts	Exploring the interplay of social media and personal development to create new communities, students will learn to differentiate opinions and evidence, while building their confidence with use of antonyms.	
	Week 2: Language Arts and Conventions	Delving into relationships between citizens over the notion of residence, students will hone their fundamental grasp of the various uses of modal verbs and phrases that articulate specific performances and obligations between people.
