Parents' Feedback

Phonics

“

I find your phonics course outline very clear. I received weekly feedback and progress reports, which allow me to understand and follow my daughter's learning progress. She is always happy to attend her lessons because her teacher provides proper guidance and fun activities.

”

- Charlotte's Mom

Storytelling

“

My son is very happy to attend his storytelling classes. He tells me he likes his teacher and the activities they do in class. I like that he has learned more English vocabulary and expresses himself more confidently.

”

- LK's Mom

Readers & Writers

“

The course raised my son's interests in English! He has built a wider range of vocabulary and confidence in writing as well!

”

- Jess's Dad
